I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: I am a Nurse & work for a Hospital & they are <sup>also</sup> ~~reached~~ <sup>At Pharm</sup> unable to get the prescription my Doctor prescribes. They researched & told me unable to obtain it to get it from the Colorado Pharm. Also my Dr. has me on a Vitamin that from the Colorado pharm ~~only~~ may have to take 4 tablets on the dosage when in Illinois I would have to take 16 pills to equal the dose or Buy A Case of the Vitamin which would Cost Me \$500.00
